NEW TOWN BAY GOLF CLUB RULES OF GOLF

All Members are urged to consult the Club's By-Laws and Local Rules and to observe the Etiquette of Golf and the rules governing play on the course at all times.

TEN POINTS WORTH NOTING TO CREATE HARMONY ON THE LINKS

1. Pick up your ball when your strokes are exhausted.
2. Walk briskly between shots.
3. Immediately your ball is called lost, stand aside and call following group through.
4. Place golf bag on far side of green so that you can walk away at once after putting out.
5. Do not mark your card whilst standing on the green.
6. Don't be selfish, consider the whole field and speed up your play.
7. Replace divots, smooth out bunkers, and do not use course for indiscriminate practice.
8. Make sure players in front are out of range before playing your shot.
9. Adhere strictly to time sheet rotation of hitting off. Remember, when the starter is in attendance, field is under his/her control.
10. In case of queries or disputes, bring to the notice of the Match Committee immediately.

Note:

The lowest marker in each group shall be deemed responsible for the observance of the above mentioned points.

FIXTURE BOOK

RULES REGARDING COMPETITION DAYS

- a. Players should, at all times, refer to the Notice Boards before commencing play.
- b. Players must submit the prescribed competition fee and enter their names into computer before commencing play.
- c. Players whose names do not appear on the starting time sheet must give way at the first tee to players who have correctly entered their names on the sheet.
- d. For handicapping purposes, players must enter their score cards even if they are disqualified or do not complete their game. Then place in completion box.

COMPETITIONS

To avoid confusion about the various types of competitions conducted by the club, a short summary of each game is set out below:

Stroke

All strokes must be counted and handicap deducted from total.

Stableford

The reckoning in this competition is made by points awarded in relation to a fixed score at each hole as follows:

- | | |
|--|------------|
| For a hole done in 1 stroke over the fixed score | - 1 point |
| For a hole done in fixed score | - 2 points |
| For a hole done in 1 stroke under fixed score | - 3 points |
| For a hole done in 2 strokes under fixed score | - 4 points |
| For a hole done in 3 strokes under fixed score | - 5 points |

The fixed score is obtained by adding the stableford handicap to the par of the holes in order of difficulty.

SLOW PLAY

The regular occurrence of “Slow Play” is discussed consistently among members, and with the thought that almost every player-member of the Club has at some time expressed concern about the effects of Slow Play on their enjoyment of the game, we publish the following ten suggestions which could be of assistance in overcoming the problem

- 1. Not being ready on time**
Plan shot selection while other players are having their shots.
- 2. Delays on tees or greens while marking the card.**
Always mark the card while awaiting your turn at the tee.
- 3. Players wait on the tee until all have played their shot, then walk to their own ball.**
Walk directly to your own ball, or level with same; and plan shot selection while waiting for others to play their shots.
- 4. Unnecessary number of practice swings.**
It is agreed that each player has his own preference in this matter, but practice swings should be limited by discretion.
- 5. Delays in lost balls.**
Immediately your ball is called lost, stand aside and call following match through.
- 6. Lack of discretion in going through a team that has lost a ball.**
If called ahead as in (5) but immediately afterwards the team ahead locate their ball and it is evident that play will proceed faster if they continue: you should signal them to go ahead.

NOTE:

The discretion is in the hands of the team called through and not the players who are looking for the lost ball.

FIXTURE BOOK

7. On the putting green unnecessary marking of ball and players not continuing to putt out.

On reaching the green and your ball, study the line of your putt immediately. When it is your turn to putt, try and wherever possible putt right out. Marking the ball is sometimes necessary, but not always and should be avoided.

8. Players not using the time on the green while waiting their turn, to assess their own putt.

Whenever possible, a player should have assessed his own putt for direction and speed while the other players are putting, providing in doing so, no interference is caused to the other players.

9. Incorrect handling of the flag on the green.

The player nearest the hole should attend the flag and then pass to the first player out, then appraise his own putt.

10. Leaving buggies around the green on the wrong side of the tee.

Always place your buggy adjacent to the approach to the next tee.

11. Do not congregate and mark cards. The player who has the honour should tee off before marking his/her card.

BY FAR THE MOST IMPORTANT RULE IS BRIEF.

Save time down the fairways! Move directly, but with due regard to safety, to your ball and be ready to play your shot in turn. Avoid group congregation.

BEHAVIOUR

Please maintain decorum during play, giving consideration to others. Loud and offensive behaviour will not be tolerated.

Objectionable language is prohibited in the clubhouse and on the course at all times.
